Cincinnati Public Library Genealogy Day

Brothers Richard Davis and Todd Mayer participated in the annual genealogy day at downtown branch of the Cincinnati Public Library. We offered assistance to 15 individuals seeking more details on their ancestors Civil War service, and received two leads for potential membership. Our table was next to the Cincinnati Civil War Roundtable and we cooperated with them to educate those in attendance on everything from battles regiments fought in, to how they can obtain soldier service records. It was a fun day, and the Camp was well represented!

Veterans Day

For the first time in Camp History, the Camp was a co-participant of a Veterans Day event. On Tuesday November 10th, the Camp set up an information Table, including the Sister Anthony O'Connell Auxiliary, and provided the guest speaker in downtown Cincinnati, for the GE Atrium II Veterans Day ceremony. There were over 200 guests at the event, and Brother Richard Davis was the keynote speaker. Brother Davis spoke about the founding of the GAR, and how important it was as one of our nation's first veteran's organizations. He tied the past into the future, and how important it is to honor veterans past and present.

The Sister Anthony O'Connell Auxiliary News

The Sister Anthony Auxiliary held their Officer Installation on Sat. Dec 5th at the home of Denny and Judy Brown. President for the 2015-2016 year is Donna Dinkelaker. Donna is the mother of Jacob Dinkelaker, Lytle Camp member. Donna's first official duty was to initiate a new Junior Member, Kayley Dunlap. Kayley is a 3rd generation SUV; the daughter of Teri Dunlap, Auxiliary member and granddaughter of Dennis Carter, Sherman Camp. Lytle Camp members in attendance were Denny Brown, Kerry Langdon and Jim Crane and Sherman Camp members Fred Lynch and Dennis Carter.

The Auxiliary would warmly welcome any wives of Camp members who are interested in being part of the group. The Auxiliary will be hosting the meal at the mid-winter meeting on January 9th in Dayton and will have a table next to the Camp at the Ohio Genealogical Conference in April. We are currently working on additional displays to educate people on the lives and times of the Civil War. Another of the new Junior Members, Shea Vidourek, is spear heading the collection of items for children at the Fisher Center as a charitable project. The Auxiliary is focusing on providing items to meet the needs of female veterans at the VA Hospitals in Cincinnati and Dayton. We are expanding our fundraising projects to include selling handmade handkerchief or "church" dolls like those used in the Civil War period in addition to the fans that we have been selling. These projects help fund the charitable projects we are involved with.
